

GRAND ALASKA LAND & CRUISE TOUR

Breathtaking. Awesome. Magnificent. America's Last Frontier. This is just a sampling of the words that are used to describe the 49th state of the union. It's rugged and wild with glaciers, countless rivers and lakes, majestic mountain peaks, an abundance of wildlife, volcanoes, and nearly 34,000 miles of tidal shoreline. Alaska is also home to North America's highest peak, Mt. McKinley.

Our journey will include both the heart of Alaska and its glacial coastline. Ride the legendary Alaska Railroad, visit unforgettable Denali National Park, tour the cities of Fairbanks and Anchorage, and catch a view of the spectacular glacial coast from a cruise ship! All this and much more is included in this fabulous Grand Alaska Land & Cruise Tour.

WITH AMANDA

Our Branson Favorites tour is once again proving to be a hit! If you haven't made your reservation yet, please give us a call. We don't want you to miss out!

On the front page, you will find a travel show announcement for Grand Alaska Land & Cruise Tour! We are excited to offer this destination – it is always so popular and is on everyone's bucket list. Let us help you make this dream vacation happen!

The Southern California trip is the perfect winter getaway. We've toured many areas in California and are excited to round out the state by visiting the beautiful southern region. We'll be touring the USS Iowa battleship, the Queen Mary and have a chance to visit the state-of-the-art Ronald Reagan Presidential Library while exploring the California coast, San Diego and Coronado Island. Make plans to escape the winter blues by joining us in sunny California this January!

We were considering a European River Cruise for next spring but have put it on hold to focus on California, Alaska and our fall trip to Washington, D.C. Information about that possible program will be available in the January newsletter.

We hope to see you on a trip soon... all that's missing from these fantastic trips is you!

Happy Travels!

An often-requested sightseeing opportunity, the USS IOWA opened on July 7, 2012, as an interactive naval museum dedicated to "Celebrating the American Spirit" through the preservation and interpretation of the battleship. By sharing the accomplishments and sacrifices of American patriots and engaging visitors in unique and exciting ways, the ship is brought to life by connecting the past with the present and future. In addition to the battleship, we will board the Queen Mary for a walking tour. The Queen Mary has quite

a history, from a luxurious ocean liner to her duty as a troopship during WWII to being known as a haunted ship. We will also have a chance to visit the state-of-the-art Ronald Reagan Presidential Library while exploring the California coast, San Diego and a visit to Coronado Island. This January is the ideal time to visit sunny California!

Pocketbook Friendly Tours

What does the term 'pocketbook friendly trip' mean and what type of trip experience does it provide me?

It means you'll receive the same great service that you have come to expect from the Go Club team, just brought to you at a more economical price. Hotel accommodations are rated as a two to three star and meals will be good, though may feature a more basic offering or buffet style setting. To keep cost to a minimum, we utilize local step-on guides instead of hiring the services of a full-time guide. We also will include less costly options when visiting destinations to help stretch your money. These differences help Go Club bring you great trips, at the pocketbook friendly price!

THE GO CLUB ACTIVITY GUIDE

Often we are asked about the pace of a particular trip. Some of you may prefer to lounge by the poolside, while others like to be more active and take in as many sights as possible. We have created the following icons to indicate the physical requirements on each of our trips:

1. This tour involves minimal to average physical activity such as boarding the bus, walking from the hotel lobby to your room, walking from the bus to a restaurant or sightseeing opportunity, and possibly climbing some stairs.

2. This tour involves average to moderate physical activity. The itinerary tends to include longer days. You should be in good health, able to climb stairs, stand for extended periods of time and walk a longer distance, possibly on uneven terrain.

3. This icon denotes our most active trips. These tours require that you're able to participate in physical activities such as extensive walking tours, long periods of standing and climbing over uneven terrain and/or steps. The tour may also include activities/meals that are scheduled for later in the evenings.

We hope these icons will give you peace of mind knowing what physical activity is required on each of our trips - before you sign up - to ensure you enjoy your trip to its fullest!
