ON THE GO WITH AMANDA...

You'll find information in this newsletter about our Hawaiian Islands trip scheduled for February 2025. This is a fabulous winter getaway to a gorgeous destination! We also have a travel show announcement for Ireland on page 3. This tour was originally scheduled for 2020 and was cancelled due to Covid. We are very happy to be able to offer it again! The Ireland brochure will be available at the travel show. You'll also see our annual Branson Christmas tour below. It's one of our favorites!

It's a little early to have dates and materials for the remaining 2025 tours we have planned, however, we want to get you thinking ahead to New York City, Washington DC, and Nashville. Nashville and Washington DC will be pocketbook-friendly trips and as such, will not have a travel show presentation. Brochures will be available this fall. We will also have a travel show announcement for NYC in the fall newsletter. We hope at least one of these tours will pique your interest!

The Mackinac Island and Northern Michigan tour is sold out, but we're taking names for a wait list in the event we have a cancellation. Alaska Heart & Soul and Danube River tours are also full at this time.

So many trips - only so many months in a year! We like to say we're in the business of fulfilling our customers' Bucket List travel needs. **Happy Travels!**
